

Lean On (feat. MÃ~ and DJ Snake)

Major Lazer

Do you recall not long ago
We would walk on the sidewalk
Innocent remember?
All we did was care for each other
But the night was warm
We were bold and young

All around the wind blows
We would only hold on to let go

Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on

What will we do when we get old?
Will we walk down the same road?
Will you be there by my side
Standing strong as the waves roll over
When the nights are long
Longing for you to come home
