Take Control

Love Is a Story

I'm calling your name
I heard a voice
Yea, somebody spoke to me
Spoke to meWe're one in the same
But you have a choice
And I hope that it's not like mineI made a mistake
There's no turning back
You need to let go of me
Go of meIt may be too late for you
Dearest friend
But know in your heart that you still have timeWhoa
Time
WhoaLooking back now
I'd do it again
The choice was a part of me
Part of meI was so far gone that it was the end
But know in your heart that you still have timeWhoa
Time
WhoaI can't say it's never too late
But it's not now
You never believed in fate
So show me
Take control
Of your life
Just this timeTake control, take control
Take control
[Repeat till end]
