

Bootyful

Karl Wolf

Girl you're so Bootyful
Girl you're so Bootyful
Cause I can't control my eyes lately Tonight the girls are fine, Club is jumpin'
She brushed up on my friend, i was watchin'
I bust a little smile, girls adore me
"Hey not so fast"
The girl had gotten dressed to relieve you
Casue everything that she had on was see thru
Watcha gonna do we she hollers right back at ya ass!
I would like to be the one to tell ya Chorus
Girl you're so Bootyful
Why can't u hear me duty callin' me
Cause I can't control my eyes
Lately Girl you're so Bootyful
Why can't u hear me duty callin' me
Cause I can't control my eyes
Lately Now, we're on the floor
She put it into gear
Red dress lady at the wheel
I feel the beat pickin' up speed
It's gettin' Hot in here My boyz are like 'what a tail
Tap that, then attack and bail!
Wam bam thank you woman!
What's your name miss, Can I know?
I would like to be the one to tell ya Chorus (x2) Rap
I could see you lookin at me
You're friend's a little closer but you're starin' at me
Yeah, I keep my cool that's the way to be
Chillin' with my girlz, What you see is what you see
In Da Club, I want you under cover
I heard them all "Curvaceous" "Bootylicous" get the JLO thing
Happening. Chorus (x2)
