Throw the confetti, I'm wild petty

Tell your hoes go and drain my spaghetti

And don't gas 'em without Getty

Kitty on jet ski, panties and a wet tee

Give 'em that water ride, this that Six Flags

This that \*moan\* Chanel Boy Brick Bag

Bitch, I'm bomb, in Balmain

[?], Saint Laurent

Who better than Nicki man? I can't eff'in' tell  
Every time I drop, bitches like FML  
Hahaha, you in the game? I own my own game  
I only respect them hoes that own they own plane  
Young Griselda, slicing up

And I used to be a bitch, but I nicen'ed up
