Early In the Morning and Late At Night

Hank Williams, Jr.

She's got sexy eyes and crazy lips
She's got magic in her finger tips
She's hot to handle if you know what I mean
She's a long legged loving machineShe's in to pleasin', she knows what I like
Early in the morning and late at nightShe's got a way of walking that'll do you in
So if you get to thinking, brother think again
No harm in looking if you understand
She's a one man woman, I'm a one woman manThere's no doubt about it when she holds me tight
Early in the morning and late at nightEarly in the morning we rock
Late in the evening we roll
We're in it right from the start
Hearts, bodies and soulShe's cooking up a mess of moves
She keeps alot of love spread on the menuShe's got a man with a big appetite
Early in the morning and late at nightEarly in the morning we rock
Late in the evening we roll
We're in it right from the start
Hearts, bodies and soulsYes sir, she's cooking up a mess of moves
She keeps alot of love on her menuShe's got a man with a big appetite
Early in the morning and late at nightShe's hot to handle if you know what I mean
She's a long legged loving machineShe's in to pleasin', she knows what I like
I like it early in the morning and late at night
