

# Anthems For A Seventeen Year Old Girl

## Broken Social Scene

Used to be the one of the rotten ones  
And I liked you for that  
Now you're all gone, got your make-up on  
And you're not coming back

Bleachin' your teeth, smiling flash  
Talking trash, under your breath  
Bleachin' your teeth, smiling flash  
Talking trash, under my window

Park that car, drop that phone,  
Sleep on the floor, dream about me

Used to be the one of the rotten ones  
And I liked you for that  
Now you're all gone, got your make-up on  
And you're not coming back
