With You In My Head

Unkle

You keepin' on a holdin'
A holdin' on a keepin'
No giving into taking more
But still still feedin'
You're clearly disturbed
All you want is allegiance
Hear them what you saw
You hear them what you saw
You hear them what you saw
You hear them with believin'
Oh holy, holy water
Washing over the soul
Collecting all the people you love
To sing you a song
Even if they stick to humming
Holding on a song to see them
When you're really sick
A sick, a sick of love
Leaving with their heart
To shape them within
Even if they stay to running
Hold 'em on the soul believing
Till you wanna stick
A stick, a stick to love
When you went down
The men came callin'
Changing to stone
As you wept from fallin'
When you went down
The men came callin'
Speakin' in tongues
They've all been summoned
