

Give It Up (Demo)

Pepper

It's been a while since I've seen your face
Got to say that I'm happy to see you come around my place
Now I think we've talked about it and I think I know what's coming up next
Let's put our minds away and let our hormones do the rest Does it seem obscene? Does it seem like a bad thing?
Well, if it is, I'm sorry Miss, but you know I'm just 19
So don't be afraid if I act like a freak
You know damn well, I'm in my sexual peak Why don't you have some dirty hot sex with me?
It ain't like I'm askin' ya to give it up for free
We can start it right now baby, I'm on my knees
Don't make me beg again, girl, I just said please Now when you look down don't be misled
I found my life's purpose and it's getting up stairs into your bed
Well, there's the phone, girl, go right on ahead
I'm sure you'd rather be with your stupid boyfriend instead [Unverified] Why you gotta sleep with my dad? Why
don't you have some dirty hot sex with me?
It ain't like I'm askin' ya to give it up for free
We can start it right now baby, I'm on my knees
Don't make me beg again, girl, I just said please Baby get on your knees, oh yeah
I'm beggin' you darlin' please, oh, yeah, oh, yeah
Please, please, please me
