Have Mercy

Steve Earle & The Dukes

Baby
What can I do to make you forgive me
For ever cheatin' on you
See I was a fool, I plead insanity
I throw myself at your mercy
So do what you will with me
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like you
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like you
Lover, do you hear me
I took your love for granted but now I see, I see
I should've never let him in, I just misunderstood
When I thought he'd give me what you already could
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like you
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody could do me like you
Yea
Well well well well
Alright
Have mercy on me
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like you
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like you
Have mercy, mercy, mercy on me

For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like you
Have mercy, mercy, mercy on me
For cheatin' on you
I don't know what I was thinkin'
'Cause nobody can do me like you
Have mercy, mercy, mercy
Have mercy, mercy, mercy
Have mercy, mercy, mercy
