## The Butchies

Advisory - the following lyrics contain explicit language:

she says lonely rents videos hand it over love your radio maybe it's fine for you to drown disquiet but i'm not  
the only one who sits outside the sun action action passive activism ACTION! take 2010 nuh-uh inside your  
head yeah water instead save yourself sell yourself love no one else what's the matter with mergers baby free  
hemp is not anarchy (something something something something) yeah im lonely
