Never Been a Moment

Micah Tyler

I've been a sinner, I've been a saint
A little bit of both every single day
I've been lost
But somehow I've been foundThere's been some pain, been some regret
Been some moments I'll never forget
But when I look back
From where I'm standing nowThere's never been a moment
I was not held inside your arms
And there's never been a day when
You were not who you say you areYou're forever
It don't matter what I'm walking through
Coz no matter where I'm going
There's never been a moment
That I was not loved by youLoved by you
Loved by youYou've been the rock, you've been the piece
Always showing your good heart to me
My days are marked by grace
I don't deserve, noYou've been the price I could never pay
You've been the light that has led the way
But no matter where I am
Oh I am sureThere's never been a moment
I was not held inside your arms
And there's never been a day when
You were not who you say you areYou're forever
It don't matter what I'm walking through
Coz no matter where I'm going
There's never been a moment
That I was not loved by youLoved by you
Loved by youSo where could I go
That I could wander from your side
And where could I run
And never leave behind
Your all-consuming, heart-pursuing
Grace-extending, never-ending love
Your loveThere's never been a moment, noThere's never been a moment
I was not held inside your arms
And there's never been a day when
You were not who you say you areYou're forever
It don't matter what I'm walking through

Coz no matter where I'm going
There's never been a moment
That I was not loved
Oh no matter where I'm going
There's never been a moment
That I was not loved by you
Yeah loved by you
Loved by you
Loved by you
