

# No Matter What

## Rapture Ruckus

Yeah

Haha

Hey, hey, lets go No matter what people say (They say)

No matter what comes my way (My way)

If I fall to the floor I'm gonna get down

I get up, I get down

I get up, I get We broke the chains we shattered them all

This is new school hip-hop while the days evolve

This is the newest the truest, the best that there is

Lets take it back to the block and whistle the rest

This is what you all came for what I got my name for

Lifting up the name that's above every name, your

Still rhyming about your rims and tires

But you cant take 'em with you when your life expires

Yeah No matter what people say (They say)

No matter what comes my way (My way)

If I fall to the floor I'm gonna get down

I get up, I get down

I get up, I get No matter what people say (They say)

No matter what comes my way (My way)

If I fall to the floor I'm gonna get down

I get up, I get down

I get up, I get This is hip-hops undisputed, heavy weight and hard header

Tumbalar, make the beat go POW

Wonder how, wonder which what will come next

We're banging heads to the tracks, until your backs collapse

They try squeeze us in a box and its never gonna stop

Pop, Hip-Hop, Rock man

We blow the roof off the top

The industry is crashing, no worries for us

They never helped us in the first place to grow up

So I keep on, keep it going, keep it the same

No MySpace or major labels running my game

So at the end of the day if the downloader don't pay

I'll make a bed out out hay and praise his name anyway

Anyway, this is now the moral of the story y'all do this for the love it

Don't do it for the glory

And surely you can understand and relate

To one time, one rhyme, one voice lets say No matter what people say (They say)

No matter what comes my way (My way)  
If I fall to the floor I'm gonna get down  
I get up, I get down  
I get up, I getNo matter what people say (They say)  
No matter what comes my way (My way)  
If I fall to the floor I'm gonna get down  
I get up, I get down  
I get up, I getIf you fall one time (You get back up)  
And if you fall two times (You get back up)  
And if you fall three times (You get back up)  
Yeah, get  
(I get up, I get down  
I get up, I get)No matter what people say (They say)  
No matter what comes my way (My way)  
If I fall to the floor I'm gonna get down  
I get up, I get down  
I get up, I getNo matter what people say (They say)  
No matter what comes my way (My way)  
If I fall to the floor I'm gonna get down  
I get up, I get down  
I get up, I getCome on  
No matter what people say (They say)  
No matter what comes my way (My way)  
If I fall to the floor (Yeah) I'm gonna get down (Oh)  
I get up, I get down  
I get up, I get
