Room Without Love

Nils Lofgren

So you're feeling you're living your life on the run
Ain't got nobody, there's just too much work to be doneAnd you know somethin' is missin' but you never look back
(Never look back)
Sit down, yeah you'd better listen make a plan of attack
'Cause you're on the wrong track
(Without love)Do you know what you been missin' in life
When all you need is just one thing to survive, oh yeah
Wake up, open your eyes now you better get straight
(Better get straight)
Sit down, yeah you gotta try now before it's too late
You better not waitWithout love, you've got nothin' to say
Without love, you're wasting away
Without love, a sunny day turns to gray
Without love, you ain't got nothin' at allEverybody needs somebody to love, yes they do
(Without love)
It's your life, and you don't wanna wait forever
(Without love)And you know somethin' is missin' but you never look back
(Never look back)
So sit down, yeah you better listen make a plan of attack
"Cause you're on the wrong trackWithout love, you've got nothin' to say
Without love, you're wasting away
Without love, a sunny day turns to gray
Without love, you ain't got nothin' at all
Nothin' at allWithout love, you've got nothin' to say
Without love, you're wasting away
Without love, a sunny day turns to gray
Without love, love, love
(Without love)Without love
Without love
Without love
Without love
Without love
