

# Give It To Me (Ft Nelly Furtado & Timbaland)

## Justin Timberlake

Is it going, is it going, is it going, is it going?  
I don't know what you're looking for I'm the type of girl that'll look you dead in the eye (eye)  
I'm real as they come if you don't know why I'm fly  
Seen ya try to switch it up, but, girl, you ain't got to  
I'm the Wonder Woman; let me go get my ropes  
I'm a supermodel, and, mummy, si mummy  
Amnesty International got bankrupt (I'm on top, on lock)  
You love my ass, and my abs, and the video called Promiscuous  
My style is meticulous If you see us in the club, we'll be acting real nice  
If you see us on the floor, you'll be watchin' all night  
We ain't here to hurt nobody  
So give it to me, give it to me, give it to me  
Wanna see you work your body  
So give it to me, give it to me, give it to me When Timbo is in the party, everybody put up their hands  
I get a half a mill for my beats, you get a couple grand  
Never gonna see the day that I ain't got the upper hand  
I'm respected from Californ-i-a way down to Japan  
I'm a real producer, and you just the piano man  
Your song gonna top the charts; I heard 'em; I'm not a fan  
Niggas talkin' greasy, I'm the one that gave them they chance  
Somebody need to tell 'em they can't do it like I can If you see us in the club, we'll be acting real nice  
If you see us on the floor, you'll be watchin' all night  
We ain't here to hurt nobody  
So give it to me, give it to me, give it to me  
Wanna see you work your body  
So give it to me, give it to me, give it to me Could you speak up and stop the mumbling?  
I don't think you came in clear  
Sitting on the top; it's hard to hear you from way up here  
I saw you tryin' to act cute on TV; just let me clear the air  
We missed you on the charts last week  
Damn, that's right, you wasn't there  
If sexy never left, then why's everybody on my shit?  
Don't hate on me just because you didn't come up with it  
So if you see us in the club, go on and walk the other way  
'Cause our run will never be over; not at least until we say If you see us in the club, we'll be acting real nice  
If you see us on the floor, you'll be watchin' all night  
We ain't here to hurt nobody  
So give it to me, give it to me, give it to me  
Wanna see you work your body

So give it to me, give it to me, give it to me  
If you see us in the club, we'll be acting real nice  
If you see us on the floor, you'll be watchin' all night  
We ain't here to hurt nobody  
So give it to me, give it to me, give it to me  
Wanna see you work your body  
So give it to me, give it to me, give it to me  
If you see us in the club, we'll be acting real nice  
If you see us on the floor, you'll be watchin' all night  
We ain't here to hurt nobody  
So give it to me, give it to me, give it to me  
Wanna see you work your body  
So give it to me, give it to me, give it to me
