Inside The Horror

Chimaira

A Blank Expression
Pales eyes wide cocked back
The sheer stagnation
Shame to all who thought this an act
The best years of this life
Felt wasted protecting a secret
Insecurities fed on like a ratDepression
True fears of dependency
Affliction
The scars on such a fragile little bodyLook
Take a look inside the horror
Take a look inside
Visualize the horrors inside
Burning Sensation
To live just one day
In pure elationBlame the ones who took this away
Can't provide shelter from
The dangers festering outside
Can't provide safety from
Monsters trapped within the mind
Depression
True fears of dependency
Affliction
The scars on such a fragile little bodyLook
Take a look inside the horror
Take a look inside
Visualize the horrors inside
Shake the hand of God
As the blade moves closer
The reflection is brighter than the sun
The perception becomes weakerThe sun starts to fade away
The blank expression on the blade
Skin Calloused yet easy to pierce
On the floor, blood mixed with, tearsLook
Take a look inside the horror
Take a look inside
Visualise the horrors inside
Shake the hand of God
As the blade moves closer

The reflection is brighter than the sun
The perception becomes weaker
