Insomniac

Entwine

Awake in my sleep
And I hear the sound, the endless scream
I try to break out
(but) The flames around they burn me to the groundIt's not the way that I can't control the pain
My soul's too tired to crawl thru' the vagabond life
Freakin' out what it does to please me
Within' me I hope that I'll stay strong
Drainpipe dreams of lifeAwake from my sleep
Still i hear the sound
Of an endless scream
I hate to be afraid
This insanity leads me astrayIt's not the way that I can't control the pain
My soul's too tired to crawl thru' the vagabond life
Freakin' out what it does to please me
Within' me I hope that I'll stay strong
Drainpipe dreams of life
Drainpipe dreams of life (yay)Facing out into the unknown
State of mind lays crushed on a floor
Glacial life, rephrase what you are
Rephrace, replace, replace...It's not the way that I can't control the pain
My soul's too tired to crawl thru' the vagabond life
Freakin' out what it does to please me
Within' me I hope that I'll stay strong
Drainpipe dreams of life
