

# Fancy Queen

[Freddie Nystrom](#)

When she walks and when she talks  
When she moves, you know what I mean  
Well she's my Fancy Queen

Walks in fashion, fashion and style  
Ohh, she drives me insane, insane and wild  
Well she's my Fancy Queen

guitar solo part

She got balls, to put down walls  
Ohh, she knows that she's got all that I need  
Well she's my Fancy Queen
