

# We Will Rock You

## Five

Buddy you're a boy  
Make a big noise playing in the street  
Gonna be a big man someday  
You got blood in your face, big disgrace  
Kicking your can all over the place Singing we will, we will rock you  
We will, we will rock you Keep the beat up, why, I'm gonna turn your heat up  
Gonna get you on the floor, gonna burn your feet up  
Rocking you like I never rocked you before  
Like the way I do got you screaming for more We causing utter devastation  
When we stepping to the place  
And better believe that you can see  
We're gonna rock and never stop  
And here we go again  
Hit you with the flow again  
Kick it up the second time around  
We'll bring it on again ' shout it out We will, we will rock you  
We will, we will rock you  
We will, we will rock you Go, go, go, go, go, go, go, go, go  
Buddy, you're an old man, poor man  
Pleading with your eyes  
Gonna make you something someday  
You got mud on your face, big disgrace  
Somebody better put you back in your place Singing we will, we will rock you  
We will, we will rock you  
We will, we will rock you
