Nightfall (Instrumental Version)

Xandria

Here it comes,
The story,
of mankind's final glory,
Into the nightfall.
The showdown,
Now has come.
This will be the last curtain,
Before the Night falls.In a desert burning,
Children's faces turning,
Into another enemy in war.
Icy winds are blowing,
Over bodies piling high,
There's no place left for more.Oh, save me from sharing this hell.
Oh, save me from my blame.Here it comes,
The story,
of mankind's final glory,
Into the nightfall.
The showdown,
Now has come.
This will be the last curtain,
Before the Night falls.We are worshiping the gods that keep twisting our thoughts.
Every day, a new sensation.
While a million creatures see their soil turn in to dust,
Hrimata Eleison.Oh, save me from sharing this hell.
Oh, save me from my blame.Here it comes,
The story,
of mankind's final glory,
Into the nightfall.
The showdown,
Now has come.
This will be the last curtain,
Before the Night falls.Forever and ever,
You hear them crying,
Forever and ever,
This world is dying,
We had so much time to understand.Here it comes,
The story,
of mankind's final glory,
Into the nightfall.

The showdown,
Now has come.
This will be the last curtain,
Before the Night falls.We are rising higher, closer to the fire,
Let the final dance begin.
