

Crazy

Andy Bell

I've never felt this good before
I could be destroyed
I don't know what you're looking for
You better make some noise
'Cause my desire
Is running down a city street
Pulled me up to the wire
I'm driven by a heavy beat When you put your hand in my hand
I go down then I go crazy for you
Crazy crazy
(Put your hand in my hand I go crazy)
I feel so ashamed to tell you
I go down then I go crazy for you
(I feel so ashamed to tell you I go crazy)
Crazy crazy Flash is good
He never told a lie
And if you're sweet tonight
I'll have an alabi
'Cause my desire
Is running down a city street
Pulled me up to the wire
I'm driven by a heavy beat When you put your hand in my hand
I go down then I go crazy for you
Crazy crazy
(Put your hand in my hand I go crazy)
I feel so ashamed to tell you
I go down then I go crazy for you
(I feel so ashamed to tell you I go crazy)
Crazy crazy 'Cause my desire
Is running down a city street
Pulled me up to the wire
I'm driven by a heavy beat When you put your hand in my hand
I go down then I go crazy for you
Crazy crazy
(Put your hand in my hand I go crazy)
I feel so ashamed to tell you
I go down then I go crazy for you
(I feel so ashamed to tell you I go crazy)
