Alexandria

Pig Destroyer

Far across the sea A piece of history In Egypt's land I'll build a cityBeautiful and strong Beyond belief A new metropolis To redefine my destinyRise and shine Alexandria Under protection of my name Pure, divine and imperial A place to watch the stars The center of the earth I see it all My world's convergingAnd to guide a king's armada Through the night I raise the seventh wonder To delight PoseidonRise and shine Alexandria Under protection of my name Pure, divine and imperialMake me the city of a living angel Casting shades all over Babylon Hailing me, a holy Son of GodAs a monument of time And the goals that I achieved Make a sculpture of my mindRise and shine Alexandria

You are a golden age proclaimRise and shine Alexandria
Under protection of my name
Pure, divine and imperial

Under protection of my name Pure, divine and imperial
