

Dreaming Wide Awake (Album Version)

Poets of the Fall

Too late, the melody is over
The joke seems to be on me
Cause I'm the one no laughing
Down here on the floor
Deflate the mystery of living
In the most heartless fashion I could ever imagine
No pretending on decoyChorusAnother place and time
Without a great divide
And we could be flying deadly high
I'll sell my soul to dream you wide awakeAnother place and time
Without a warning sign
And we could be dying angels style
I'll sell my soul to dream you wide awakeI'll dream you, I'll dream you, I'll dream you wide awakeWith me
disaster finds a playfield
Love seems to draw dark twisted pleasure tearing at me
Cause I cannot let you go
Mercy! Like water in the desert
Shines through my memory like jewelry in the sun
Where are you now?ChorusIt's like I'm raising to the sun
blindly face the blazing gun
Cause I'm afraid I will be left here without you
Like I'm raising not to run
You give me more when I have none
Cause I'm afraid I will be left here without youWide awake, wide awake...Chorus
