

# Snap Your Fingers, Snap Your Neck

## Demon Hunter

Nothing breeds more contempt for this world  
Than memories now formed  
Every moment a new seed  
Is grown to no reason, the trouble unfolds For the trials of today  
I'm no jury, really don't care how you feel  
The pleasant notion of miraculous change  
Drifts into multiple jeers You want the good life  
You break your back  
You snap your fingers  
You snap your neck Seconds drip through my hands  
Washed of moments unborn  
All the spaces between bleed  
A tribute to the sacrament never exposed A message to the forces  
I've no pity, don't know how thankful to feel  
Expectations of my daily bread  
Gives me the hunger to steal You want the good life  
You break your back  
You snap your fingers  
You snap your neck
