

Life To Me

[ZOEgirl](#)

Fleeting breath, frailest flesh
Im a casualty at best
And so I sink into your depth
My only place of rest Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, Im crying out
Jesus, You are life to me The treachery of valleys deep
Has only made me weak
I clothe this flesh with holiness
My only place of rest Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, Im crying out
Jesus, You are life to me And when I see Your face I'll know
All the pain and tears will go
To the bottom of the sea
Youll forever be holy, holy Holy, holy, holy, holy Where earth and wind, and sky and sea
Could never match Your majesty
From where I stand, Im crying out
Jesus, You are life to me Holy, holy, holy, holy
Holy, holy, holy, holy
Holy, holy, holy, holy
Holy, holy, holy, holy When all is fallen
You are life to me
When all is broken
You are life to me When all is empty
You are life to me
Life to me, life to me When I am fallen
You are life to me
When I am broken
You are life to me When I am empty
You are life to me
Life to me, life to me, life to me, life to me Life to me
