Drive Me Wild

Sawyer Brown

You pull over and I jump in
To your little red Mercedes Benz
Well, I know there's no turning back
Well, I don't even care where we are
I just want to be inside your carYou can drive me wild baby
Or you can drive me crazy
You just drive me, I don't care
With you I'll go anywhereClean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you I'll go anywhereWell, in the fast lane on a Sunday drive
Anywhere we go, I'll be fine
Just as long as I'm with you
It don't matter when we get back
This ain't the time to talk about thatYou can drive me wild baby
Or you can drive me crazy
You just drive me, I don't care
With you I'll go anywhereClean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you I'll go anywhereIf you take me
I will go with you anywhere
I don't know if you know where
Goin' somewhere, goin' somewhere
Goin' somewhereYou can drive me wild baby
Or you can drive me crazy
You just drive me, I don't care
With you I'll go anywhereClean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you I'll go anywhere
