You and I, feel the ocean and the sky, the shifting sand

Of our love, of our love

What is love?

Love is what?

What is love?

Love is blind, love is sick, love is giving

Respect each other, listen to the other

Adore your brother, respect your lover

Be kind to your mother and your father, etcetera, etcetera Sometimes you're my teacher

Sometimes you're my sunrise

Sometimes you're my sunset

Sometimes you're my girl friend

Sometimes you're my wife

Sometimes you're my nurse

Sometimes you're my baby love æ™,ã•«ãfã•@ã• ^è¼ã•§
