Write It On Your Skin

Newton Faulkner

Take everything you know
And write it on your skin
Then you can carry on
And forget everything
Take everything you own
And put it in your car
And you can drive away
Drive away so far
Then drive into a lake
And take of all your clothes
And set your clothes on fire
And now your all alone
But you've got all you know
Written on you skin
So you can carry on
And forget everything
All the things i'd rather be (x2)
Chorus:
I can't, I can't
I can't stay around here
I can only leave
Take everything you know
And write it on your skin
Then you can carry on
And forget everything
Take everything you own
And put it in your car
And you can drive away
Drive away so far
Then drive into a lake
And take of all your clothes
And set your clothes on fire
And now your all alone
But you've got all you know
Written on you skin
So you can carry on
And forget everything
All the things i'd rather be (x2)
Chorus: (x2)

Life feels like a music box
I'm spinning round slowly and i can't get off (x4)
Start again, start again (x2)
Chorus: (x2)
I can't, I can't, I can't stay around here
