

# I Wish You Would

David Bowie

Early in the morning by the break of day  
That's when my baby went away  
Come back baby, I wish you would  
This crying and grieving won't do me no good  
Hugging and a-kissing, late at night  
You know pretty baby it feels just right  
Come back baby what you're trying to do?  
Turnin' on me and some other men too  
Come back baby give me one more chance  
You know I still love you gonna give you romance  
Yeah, romance all night long  
In my arms, oh yeah  
Early in the morning by the break of day  
That's when my baby went away  
Come back baby, I wish you would  
This crying and grieving won't do me no good  
Hey pretty baby, I love you so  
You know pretty baby it hurts me to see you go  
Oh yeah, oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah
