Wet Day In September

Pussycat

Wet days in SeptemberRaindrops fallin' tender
As I stare outside my window
And I see the clouds are passin' by.
I am feelin' lonely -
Uh
I love you
uh
I want youUh
I need you so I think I'll die.And as I fall asleepAll the tears I weep
Are because
uh
I love youUh
I want youUh
I need you so I think I'll die.But there's the morning sun
And all wakes upthat I can be funThen all my dreams are gone.But how can I dream when you're gone my loveAnd you're makin' love
With every girl
but not with me ?
Yes
times have been changed since you went awayThat I heard you say:
I love you
I need you
So much I think I'll die.
Yeah
I love you need you.
So much I think I'll die.Why must I remember
Every wet day in September?
Just because
uh
I love youUh
I want youUh
I need you so i think I'll die.But there's the morning sun
...
But how can I dream when you're gone my love
...
