

Wet Day In September

Pussycat

Wet days in SeptemberRaindrops fallin' tender

As I stare outside my window

And I see the clouds are passin' by.

I am feelin' lonely -

Uh

I love you

uh

I want youUh

I need you so I think I'll die.And as I fall asleepAll the tears I weep

Are because

uh

I love youUh

I want youUh

I need you so I think I'll die.But there's the morning sun

And all wakes upthat I can be funThen all my dreams are gone.But how can I dream when you're gone my
loveAnd you're makin' love

With every girl

but not with me ?

Yes

times have been changed since you went awayThat I heard you say:

I love you

I need you

So much I think I'll die.

Yeah

I love you need you.

So much I think I'll die.Why must I remember

Every wet day in September?

Just because

uh

I love youUh

I want youUh

I need you so i think I'll die.But there's the morning sun

...

But how can I dream when you're gone my love

...
