

Something

Band of Skulls

Something that you love
Something that you hate
Everything you're proud of, baby
And every mistake
All the things you want
And everything you give to me
Everything you're frightened of
To every single year I just wanna try my best to do it right
I'll meet you in the morning
I'll meet you every day
And I'll meet you in the night
Everything is beautiful
Everything is good
I'll give you everything in the world
If you were my girl
If you were my girl Something that you see
Something that you want to be
Everything you're scared of, baby
I want to dismiss
Something that you love
And everything you hate, yeah
Everything you're proud of, baby
And every mistake I just wanna try my best to do it right
I'll meet you in the morning
I'll meet you every day
And I'll meet you in the night
Everything is beautiful
Everything is good
I'll give you everything in the world
If you were my girl
If you were my girl
If you were my girl
If you were my girl
