

# Slow Down

## Blur

It's up to you, you know it is  
I can't convince you all you have to do is slow down  
I've always said it will never change  
All you have to do just you be you  
Think that's all I want to say And all the things I've ever told you  
I didn't mean at all, I didn't mean at all I'd forget you  
So if you come here, if you come here  
All you have to do just you be you  
Think that's all I want to say to you Aah, ooh, aah, ooh  
Aah, ooh, aah, ooh And all those things that I told you  
I didn't mean at all, I didn't mean at all, I'd forget you  
So if you come here, if you come here  
All you have to do just you be you  
Think that's all I need to say to you
