

Undo the Right

Wade Hayes

If you cant say you love me, say you hate me
And that you regret each time you held me tight
If you cant be mine forever then forsake me
If you cant undo the wrong, undo the rightIt was right when you loved me only
But wrong when you held another tight
So before you go away and leave me lonely
If you cant undo the wrong, undo the rightIts too late to say your heart is filled with sorrow
You cant undo whats done, why do you try
So please, so I can face the new tomorrow
If you cant undo the wrong, undo the rightIts too late to say your heart is filled with sorrow
You cant undo whats done, why do you try
So please, so I can face the new tomorrow
If you cant undo the wrong, undo the right
