Fly With You

Nikki Reed

Breathe me in the night
Breathe me in the night
Breathe me in the night
My dear

I see shadows in the light
Ooh, I hold you just as tight
I see shadows in the light
My dear

No more time for pain
No time for pain
Rock me, spin me
Ooh, I'm fix on your frame

Gonna fly with you
Just fly and we fly
With you

Gonna fly with you
Just fly and we fly
With you

Give me some of that
Give me some of that
Give me some of that
And some of that
Give me some of that
Give me some of that
Give me, give me
Give me
Give me some of that
Give me some of that
Give me some of that
And some of that
Give me some of that
