# Bring It On

## Nick Cave

This garden that I built for you
That you sit in now and yearn
I will never leave it, dear
I could not bear to return
And find it all untended
With the trees all bended low
This garden is our home, dear
And I got nowhere else to goSo bring it on
Bring it on
Every little tear
Bring it on
Every useless fear
Bring it on
All your shattered dreams
And I'll scatter them into the sea
Into the seaThe geraniums on your window sill
The carnations, dear, and the daffodil
Well, they're ordinary flowers
But they long for the light of your touch
And of your trembling will
Ah, you're trembling still
And I am trembling too
To be perfectly honest I don't know
Quite what else to doSo bring it on
Bring it on
Every neglected dream
Bring it on
Every little scheme
Bring it on
Every little fear
And I'll make them disappear
