Let's Take Our Time

Ryan Cabrera

I wanna give every part of you the attention it deserves
I wanna take it slow get you in the mood
'Cuz the clocks not gonna turn
We've been waitin' for a couple of weeks now
I know we shouldn't rush
There's no one here but us
I don't want this to die
Don't want to ever forget this night
To hurry you would be a crime
Let's take our time
Let's take our time
Somethin' so right when I hold you I don't ever wanna let you go
When you whisper in my ear all the things you want to do
The sensation starts to grow
I dreamt about it every day and night
Never thought that you'd come true
Now it's just me and you

I don't want this to die
Don't want to ever forget this night
To hurry you would be a crime
Let's take our time
Let's take our time
I don't want this to die
Don't want to ever forget this night
To hurry you would be a crime
Let's take our time
I don't want this to die
Don't want to ever forget this night
To hurry you would be a crime
Let's take our time
Lets take our time
Lets take our time
Let's take our time
Let's take our time
