

Superstar (Alternate Version)

[Bette Midler](#)

Long ago and oh, so far away
I fell in love with you
Before the second show Your guitar, it sounds so sweet and clear
But you're not really here
It's just the radio Don't you remember you told me you loved me baby?
Said you'd be coming back this way again maybe?
Baby, baby, baby, baby oh baby
I love you, I really do Loneliness is such a sad affair
And I can hardly wait
To sleep with you again What to say to make you come again
Come back to me again
And play your sad guitar Don't you remember you told me you loved me baby?
Said you'd be coming back this way again maybe?
Baby, baby, baby, baby oh baby
I love you, I really do
