

Save A Little Sugar

Chris Janson

Yeah girl you're like a pure cane buzz
And that thang that your thang does
When you do your little thing like that
It's a honeysuckle heart attack
Yeah your daddy and your mommy know
Oh, they should've named you Domino
And all I want is a little taste
So baby why you gotta make me wait? In your t-shirt, boots and an old pair of blue jeans
Girl it ain't no fair
You know I wanna go there
Baby save a little sugar for me
Shake, shake, shaking your sweet stuff
Dance floor's gonna need a clean up
Make sure you're holding back enough
Baby save a little sugar for me Yeah you're an eleven on a one to ten
And you got everybody's eyes locked in
Girl you're like a Def Leppard song
You really know how to pour it on In your t-shirt, boots and an old pair of blue jeans
Girl it ain't no fair
You know I wanna go there
Baby save a little sugar for me
Shake, shake, shaking your sweet stuff
Dance floor's gonna need a clean up
Make sure you're holding back enough
Baby save a little sugar for me
Yeah
In your t-shirt, boots and an old pair of blue jeans
Girl it ain't no fair
You know I wanna go there
Baby save a little sugar for me
Shake, shake, shaking your sweet stuff
Dance floor's gonna need a clean up
Make sure you're holding back enough
Baby save a little sugar for me
