

Home Soon

DOPE LEMON

I've been finding good time
To be bored out of my mind
I've been walking for days
I don't have the time to play
You're kind of parley
So won't you come home soon
Won't you come home soon
I never wish for you to go
To rove down that old road
You're making my heart low
Lost in that old world
The only one i'll ever fall
So won't you come home soon
Won't you come home soon
