

Less of Me

Roy Fields

I am thirsty, hungry
Desperate for Your
presence

I am thirsty, hungry
Desperate for Your
presence

Let there be
Less of me
More of You
Less of me
More of You
Less of me
More of You
Less of me
More of You

Let there be
Less of me
More of You
Less of me
More of You

I am thirsty, hungry
Desperate for Your
presence

I am thirsty, hungry
Desperate for Your
presence

Let there be
Less of me
More of You
Less of me
More of You

Let there be
Less of me

More of You
Less of me
More of you
Less of me
More of You

I am thirsty, hungry
Desperate for Your
presence

I am thirsty, hungry
Desperate for Your
presence

I am thirsty, hungry
Desperate for Your
presence

I am thirsty, hungry
Desperate for Your
presence
