# Motors Runnin

## Kevin Morby

Why you gotta cry in the morning
Baby it's time to go
Look at the fire forming
The black shadow's coming down off your door
This ride goes in circles
Pull over to the shoulder
This ride goes in circles
Oh and kill the motorWe'll get off of this ride that I'm on
We'll get off of this ride that I'm on
Get your motors running
Get your motors running
Get your motors running
Come on
Why you gotta ash in the garden
How's it gonna grow
And lady it just got started
Your black cloud's coming out of the storm
This ride goes in circles
Pull over to the shoulder
This ride goes in circles
Oh and kill the motor
We'll get off of this ride that I'm on
We'll get off of this ride that I'm on
Get your motors running
Get your motors running
Get your motors running
Come on
