Hoodoo Man Blues

Junior Wells

Lord, I wonder what's has got the matter
Wit' time, you know, wit' time
It seems like the hours
Oh, everything done changed

But I hold up my hand
I'm just tryin' t'make her understand
Lord, you know, everybody tells Little Junior
That somebody done hoodooed the hoodoo man

Now, I'm goin' down to Louisiana
An' get me a mojo hand
My little woman
She done quit me for some other man

But I hold up my hand
I'm tryin' to make her understand
Lord, you know, everybody they tells me
That somebody done hoodooed the hoodoo man

{Well that's what I'm talkin'}

Now I buzzed your bell this morning
You had your elevator running slow
I buzzed your bell, little woman
To take me on the third floor

But I hold up my hand
I'm just trying make you understand
Lord, you know, everybody tells Lil' Junior
"Somebody hoodooed the hoodoo man"
