

Dandy

Hiroshi Kondo

Dandy, Dandy
Where you gonna go now?
Who you gonna run to?All your little life
 You're chasin' all the girls
 They can't resist your smile
Uh-hmm, they long forDandy, Dandy
 Chattin' up the ladies
 Ticklin' their fancy
Pourin' out your charmsTo meet your own demands
 And you turn it off at will
Huh-oh, they long forDandy, Dandy
 Knockin' on the back door
 Climbin' through the window
Hubby's gone awayAnd while the cat's away
 The mice are gonna play
Uh-hmm, you low-downDandy, Dandy, DandyDandy, you know you're moving much too fast
 And Dandy, you know you can't escape the past
Look around you and see the people settle downAnd when you're old and grey
 You will remember what they said
 That two girls are too many
Three's a crowd and four you're deadOh, Dandy, Dandy
 When you gonna give up?
 Are you feelin' old now?
 You always will be free
And you need no sympathyA bachelor you will stay
 And Dandy you're all right
 You're all right
 You're all right
