

The Truth

In Flames

[Choir]

We are, we are, we are

We are, we are, we are[Verse]

The time has come to bring you down

Take the power back and show you how

I hear the sound of a plane passing by

Someone had the same thoughts as I

But as I get to the end of mine

You deny and think everything is fine[Chorus]

We are, we are, we are

We are the truth that hurts the most, cuz'

We are, we are, we are

It hurts when your denial's exposed

It hurts when your denial's exposed[Verse]

Why can't we see eye to eye?

Think of all the things we leave behind

I hear the sound of a car driving by

You can go on for miles

But you will run out

This is not your dayAre you just gonna turn around and walk away?[Chorus]

We are, we are, we are

We are the truth that hurts the most, cuz'

We are, we are, we are

It hurts when your denial's exposed

It hurts when your denial's exposed[Pre-Chorus]

But as I get to the end of mine

You deny and think everything is fine[Chorus]

We are, we are, we are

We are the truth that hurts the most, cuz'

We are, we are, we are

It hurts when your denial's exposed

We are, we are, we are

It hurts when your denial's exposed

It hurts when your denial's exposed
