# Looking Pretty, Acting Shitty

## Toxic Lab Rats

Hiding behind a suit and tie
The way I see it your life's a lie
There's more to life than social rank
Your only friend is that guy at the bank
Talking and bitching about career and success
Telling me my lifeâ€˜s a mess

Looking pretty, acting shitty
Your Cadillac car and your bullshit at the bar
Doesn't impress me

You got a show off wife, Sophie the trophy
Suck for a buck, I didn't pay her a dime
Talking about your car, your house, your bank account
Say what you want it's just a waste of time

You're not the real McCoy
Just a paper boy
Tell me whose lifeâ€™s a mess

Looking pretty, acting shitty
Your Cadillac car and your bullshit at the bar
Doesn't impress me

Talking and bitching, act like a dick
Your bullshit makes me sick

Looking pretty, acting shitty
Your Cadillac car and your bullshit at the bar
Doesn't impress me
