

It Never Entered My Mind

Frank Sinatra

Once I laughed when I heard you saying
That I'd be playing solitaire
Uneasy in my easy chair
It never entered my mind And once you told me I was mistaken
That I'd awaken with the sun
And ordered orange juice for one
It never entered my mind
You have what I like myself
Now I even have to scratch my back myself Once you warned me that if you scorned me
I'd say a lonely prayer again
And wish that you were there again
To get into my hair again
It never entered my mind Once you warned me that if you scorned me
I'd say a lonely prayer again
And wish that you were there again
To get into my hair again
It never entered my mind
