

River

Charlie Puth

[Verse 1: Charlie Puth]

Don't run from me river

Don't run from me river, river no

Don't run from me river

Don't run from me river, river no Look, you can play it cool

Act like you don't care

River, don't be cruel

You're pushing me away

Don't want to get hurt

So, you hurt me first with the words you say [Pre-Chorus: Charlie Puth]

Maybe you should fall

That's what rivers do

Cause when you're in love

You don't mind a different view

Things are looking up [Chorus: Charlie Puth]

Oh, river

Don't run

Don't run

Don't run

Oh, river

Don't run

Don't run

From our love [Verse 2: Charlie Puth]

Look, darling don't give up

When the waters rough

Where you gonna go

My heart is your home Nothin' is as cold

As runnin' on your own

River don't you rush [Pre-Chorus: Charlie Puth]

Maybe you should fall

That's what rivers do

Cause when you're in love

You don't mind a different view

Things are looking up [Chorus: Charlie Puth]

Oh, river

Don't run

Don't run

Don't run

Oh, river

Don't run
Don't run
From our love[Verse 3: Charlie Puth]
Don't run from me river
Don't run from me river, river no
Don't run from me river
Don't run from me river, river no
Don't run from river
Don't run from me river, river no
Don't run from me river[Pre-Chorus: Charlie Puth]
Maybe you should fall
That's what rivers do
Cause when you're in love
You don't mind a different view
Things are looking up[Chorus: Charlie Puth]
Oh, river
Don't run
Don't run
Don't run
Oh, river
Don't run
Don't run
From our love[Verse 4: Charlie Puth]
Don't run from me river
Don't run
Don't run from me river, river no
Don't run
Don't run from me river
Don't run
Don't run from me river, river no
Oh, river
Don't run from river
Don't run
Don't run from me river, river no
Don't run
Don't run from me river
From our love
Don't run from me river, river no
