

# Father Time

[Richie Sambora](#)

Father Time, I couldn't make her wanna stay  
I couldn't seem to find the words to say  
Now, I have to live in yesterday  
Father Time, I thought that you were on my side  
I thought that I could keep our love alive  
I thought that I could keep her satisfied  
The clock keeps tickin'  
And I keep on thinkin' 'bout you  
I'm knockin' at the door of your heart  
But I can't break through  
Father Time, grant me just another day  
Of our love I tried to make her stay  
Father Time, don't tell me it's too late  
All my life you know that I would wait  
Father Time  
Now she's gone, she didn't even say goodbye  
I guess she didn't have the heart to try  
She didn't even have the guts to lie  
Father Time, only you can turn the page  
And close the curtain on this empty stage  
Only you can take my pain away  
Well, my heart keeps breakin'  
And my body keeps achin' for you  
It's time to hold on  
But there's nothin' left to hold on to  
Father Time, grant me just another day  
Of our love I tried to make her stay  
Father Time, don't tell me it's too late  
All my life you know that I would wait  
Father Time  
Father, Father can't you see  
I'm dependin' on you  
I'm dyin' at the door to your heart  
And I can't break through  
Father Time, grant me just another day  
Of our love I tried to make her stay  
Father Time, don't tell me it's too late  
All my life you know that I would wait  
Father Time  
She's your child make her mine  
Father Time
