Glory

Jaci Velasquez

I see the glory, there's glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart.Looking for a meaning, wondering around with no direction.
I'd rush to take that next big step, to make it that much more ahead.
I went for the horizon and I found the glory of your love.I see the glory, there's glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart.We've been through stormy weather, now I know your love's with me forever.
You're here to take that step with me, you're by my side eternally. (eternally)
I went for the horizon and I found the glory of your love. oh,I see the glory, there's glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart. (oh)Doo doo doo doo doo. bah dee ah dee ah doo doo doo doo.
Bah dee ah dee ah doo doo doo doo. doo doo doo doo doo doo doo. (doo doo)I went for the horizon and I found the glory of your love.
I see the glory, there's glory all around in the world.
And glory has been found; it surrounds me,
And opens my mind and heart. (glory)I see the glory, (there's glory all around)
There's glory all around.
(and glory has been found...) oh, it's moving me, it's touching me.
(and opens my mind and heart.) opens my mind and heart.Glory hallelujah. (I see the glory.)
Glory hallelujah. (I see the glory.)
(glory hallelujah.) it surrounds me.
Opens my mind and heart. oh yes it does, oh.Written by jim boggia, andy kravitz
