Keeps Me Wondering Why

Steve Miller Band

Sensations drift away
When I'm all alone
How can you take away my feelings
Bet our love until you lose
Then give back what you've been stealing
All these changes I go throughKeeps me wondering why
I'm still loving you
Keeps me wondering why
All these things that you do
Keeps me wondering whyTemptation rips away
Can this girl stay true
I just keep hanging on
Cause I know it's hard to find the magic
That's in every part of you
All the boys, they got to have it
All these changes I go throughKeeps me wondering why
I'm still loving you
Keeps me wondering why
All these things that you do
Keeps me wondering why
I'm still loving youKeeps me wondering
Keeps me wondering
Keeps me wondering...Keeps me wondering why
I'm still loving you
Keeps me wondering why
All these things that you do
Keeps me wondering why
I'm still in love with you
Keeps me wondering why
All these things that you do
Keeps me wondering why
You know, I'm still in love with you
Keeps me wondering why
All these things that you do
Keeps me wondering why
I'm still in love with you
